2022 - 2023

MISSION AND VALUES

Rooted In Catholic Faith And Mercy Traditions, St. Vincent's Academy (SVA) strives to foster a lifelong commitment to knowledge, faithful service, personal and spiritual growth. St. Vincent's boasts five core values including:

Collaboration: We recognize the richness of working together to accomplish our goals, acknowledging each person's unique gifts and our interdependence.

Compassion and Service: We empathize with all who are in pain, responding sensitively to their needs.

Concern for Women and Women's Issues: We support the growth and development of young women, encouraging them to recognize their gifts and their ability to achieve their full potential.

World Vision and Responsibility: We unite our efforts at responsible stewardship to those of all people, knowing that our actions affect all in our Global Village.

Spiritual Growth and Development: We cherish each person as the unique creation of a loving God, striving to promote religious values in an open, accepting atmosphere.

HISTORY

St. Vincent's Academy was founded in 1845 by the Sisters of Mercy as a day school, orphanage and boarding school on the corner of Lincoln and Liberty Streets in the heart of historic Savannah, Georgia. The school has physically expanded six times since. In 1919, St. Vincent's became exclusively dedicated to educating young women of high school age.

ACCREDITATION

- Accredited by Cognia (formerly AdvancEd)
- Accredited by Southern Association of Independent Schools (SAIS)
- Member of the Georgia Independent School Association (GISA)
- Member of the Georgia High School Association (GHSA)

COLLEGE PLACEMENT TESTING

The top 25% of SVA's Class of 2022 and 2023 performed as follows:

- ACT Top 25% Score = 27.8
- PreACT Top 25% Score = 25.7
- SAT Top 25% Score = 1291
- PSAT Top 25% Score = 1228

SVA GRADUATION REQUIREMENTS

A minimum of 24 Carnegie Units is required for graduation from St. Vincent's Academy, with every student taking a minimum of six credits during a school year. The requirements for graduation are as follows:

English: 4 units	Physical Education: .5 unit
Mathematics: 4 units	Health: .5 unit
Science: 4 units	Computer: .5 unit
Social Studies: 4 unit	Fine Arts: 1 unit
Foreign Language: 3 units	Electives 1.5 units
Religion: 2 units	

GRADE POINT AVERAGE & CLASS RANK

SVA's grading scale is as follows:

A	90 - 100
B	80 - 89
C	70 - 79
F	Below 70

Weighted Grades are calculated as follows: AP courses garner an extra 5 points; Honors courses garner an extra 3 points; Dual Enrollment courses garner an extra 5 points. Cumulative weighted grades are used to decipher class rank. GPA is calculated using only core course grades.

DUAL ENROLLMENT

- Dual enrollment classes are virtual with Georgia Southern University. Scheduled free periods are allotted for students to complete work.
- 2021-2022 academic year: 16% of the Junior/Senior class participated in the program. 95% of students earned college credit.
- 2022 - 2023 academic year: 11% of the Junior/Senior class are currently enrolled.
- Students attend an informational meeting to understand the application process and receive written parent approval.
- The Director of Curriculum confirms that the student meets standards for academic fitness and independent study.

AP/HONORS

- All students enrolled in an AP Class are required to complete AP Exams.
- Students must meet prerequisites and be recommended by a teacher to enroll in any AP course.
- In May of 2022, 119 students took AP Exams. A total of 216 exams were taken in 14 subjects. 60% of exams received scores of 3 or higher.
- 40% of students are currently enrolled in AP courses.

*New classes offered in 2022 - 2023

CLASS OF 2022 HIGHLIGHTS

- The SVA Class of 2022 received over \$4,270,000 in scholarships.
- The Class of 2022 completed over 10,500 hours of community service during their four years at SVA. This class helped raise over \$85,000 towards school and community outreach during the 2021 - 2022 school year.
- Twenty-one of SVA's seniors were members of the National Honor Society, and forty-seven seniors in the class of 2022 took a total of 205 Advanced Placement courses over their 4 years at St. Vincent's Academy.

COMMUNITY SERVICE

Students are required to perform a minimum of 20 hours of community service each academic year. These hours are meant to help the poor and less fortunate and to assist with projects in the local community. Most students go above and beyond the service requirements the school sets forth. Community service at SVA derives from the overall school philosophy, curriculum, programs and policies as each of these seeks to foster a vital faith community. The program includes an outreach to the Savannah area that helps the students develop commitment and skills in serving others. This work may be done through school, church, youth organization or individual interest. Some popular service partnerships include:

Ronald McDonald House: This service provides for the family members of a child who is hospitalized long-term. SVA girls help clean and organize the homes and restock their pantry with snacks and drinks.

Prayer and Action: This is a Summer volunteer program where students help the local community by painting and repairing homes for the elderly, bringing food and supplies to those in need and cleaning yards.

America's Second Harvest Food Bank: Students help by donating food, packing boxes for families and filling backpacks for students who do not have food on the weekends.

Social Apostolate: Supporting the homeless community, SVA girls volunteer by finding out what needs they have each month and creating drives at school to collect these items and deliver them to the Social Apostolate.

ATHLETICS

Wofford College

Morgan Maxwell

Highly-motivated and resourceful Food Scientist with expertise in the field of food product development – research, production, and evaluation. Looking for a Senior technical leadership role in the consumer packaged goods industry.

Career Objective

Proficient in operating and maintaining analytical instruments, GC, and GC-MS

Program Skills

- Microsoft Office, STATA, ArcGIS, and SAS
- Food Technology R&D Research

Education

Bachelor of Science in Biochemistry 2010

University of Salford

Culinary Arts 2006

Salford Northwestern Technical College

WORK HISTORY

Borcelle Inc. *Food Scientist*

- Drafted formulas, batching procedures, and technical data sheets for a custom product
- Create new laboratory and testing methods for the company while handling QC Technicians
- Cooperated with the customer, sales, and marketing while developing a new custom product

Fauget Co. *Product Developer*

- Supported developers and plenty of projects with formulation, screening flavor works, and production support
- Reformulated Fauget's Baking Cocoa, led to cocoa decreased cost and saved of 20%
