

## *St. Vincent's Athletic Association*

*P.O. Box 13781 Savannah, Ga. 31416*

*Dear Saints,*

Welcome to a tradition of excellence that is SVA Athletics. We have fielded teams that have triumphed on the local, regional, and state levels. We have graduated young women that have gone on to compete at colleges across the country. Most importantly, we offer an opportunity through 14 sports where everyone can find their place to excel.

Several years ago the SVAA (St. Vincent's Athletic Association) was founded as a booster club to augment the school's efforts. Through the ensuing years we have funded equipment purchases, new uniforms, facility and training expenses...anything to enhance the athletic experience. Through the combined giving of many, much has been accomplished. Your support can help as we continue our journey to excellence. I look forward to meeting you and your family!

*Sincerely,*

*Christina McClimans, President SVAA*
