

## St. Vincent's Athletic Association 2023-2024 SVAA Booster Club Membership Application

The SVAA (St. Vincent's Athletic Association) was founded as a booster club designed to inspire and stimulate a vigorous and enthusiastic athletic program emphasizing rapport and cooperation among the athletes, student body, the school administration, and all parties interested in attaining the maximum potential of the athletic program of St. Vincent's Academy.

Through the years, we have funded equipment purchases, new uniforms, facility and training expenses, and many other projects to enhance the athletic experience. Through combined giving of many, much has been accomplished. Your support can help as we continue our journey to excellence.
